I was delighted to be appointed as the new Principal of the Winsford Academy in September 2024. From my experience of being a senior leader in a number of different schools, I know that a successful and happy school depends on all of us working together.

It is an exciting time for our school as we embark on a journey of improvement and growth. As part of this journey, we are seeking dedicated and passionate individuals to join us. We have the confidence and belief that we know where we are, what we have to do and where we want to be. We believe that every member of our staff plays a crucial role in shaping the future of our students.

There will be an opportunity to visit the school for a breakfast or an after-school meeting on Wednesday 9th October 2024. You will have the chance to learn more about our school's vision and values, meet staff and tour the school.

We are proud to serve our local community, and we have approximately 1050 students in years 7 to 11. The Academy benefits from state of the learning facilities including a theatre, well equipped science labs, dance studio and an excellent sports facility including 3G pitch and fitness suite.

Thank you for considering our school, it is a very exciting time to be joining us. If our vacancies and values match your skill set we would be delighted to hear from, and I look forward to meeting you in person.
